

A BRIEF NOTE

"Ageing Perspectives Symposium: Navigating Policies, Wellness, and Research for a Healthier Tomorrow" by the International Institute of Health Management Research (IIHMR) - Delhi in collaboration with the National Institute of Social Defence, Ministry of Social Justice and Empowerment, Government of India seeks to unravel the intricacies of ageing. It will provide a comprehensive platform for participants from national level to gain insights into various facets of ageing in India, fostering a holistic understanding of the challenges and opportunities associated with an ageing population

Registration Free*

*TA and DA will be provided as per the norm

Expected Outcome

Participants will develop increased awareness of senior citizens' needs, fostering sensitivity to health issues. The symposium will facilitate robust networking, paving the way for collective action on age-friendly initiatives. Additionally, participants will be awarded certificates and can present e-posters, with prizes for the top three.
