Feedback Action Taken Report of the Institute
(Consolidated of all departments)

Academic Year 2021-22

Sr. No.	Stakeholder	Suggestion Given/ Issue	Action Taken
1.	Student	More IT related subjects in the first year	Academic Department is currently reviewing the course of first year and will try to incorporate the required suggestion.
2.	Faculty	Field practice area (Hand's ON) should be included in routine training. Internship should be structured.	Field plan is already discussed among the Faculty for the batch 2022-24. More rigorous approach has been followed for the summer internship of batch 2021-23.
3.	Faculty	Course curriculum revision Practical approach to research methodology. Students undertaking short term research projects	The entire curriculum has been revised. Research Methodology was taught with significant practical approach. Students are being encouraged to undertake the short term projects in consultation with their respective mentors.
4	Alumni	More case studies should be implemented in all modules	During course curriculum revision exercise each faculty was instructed to include case studies with each unit.
5	Alumni	More grooming sessions. Bi-annual alumni meet should be organized	Additional grooming sessions are included. Last Alumni meet was held in the month of December 2021
