

**International Institute
of Health Management Research**

PGDM
(HOSPITAL & HEALTH MANAGEMENT)
2 YEAR FULL TIME
(2023-2025)

VISION //

IIHMR is a premier institute in health management education, training, research, program management and consulting in the health care sector globally. The Institute is known as a learning organization with its core values as quality, accountability, trust, transparency, sharing knowledge and information. The Institute aims to contribute for social equity and development through its commitment to support programs aiming poor and the deprived population.

MISSION //

IIHMR is an institution dedicated to the improvement in standards of health through better management of health care and related programmes. It seeks through management research, training, consultation and institutional networking in a national and global perspective.

THE INSTITUTE //

International Institute of Health Management Research (IIHMR), Delhi was established in 2008 as a part of the Society for Indian Institute of Health Management Research, Jaipur. It was set up to bring international standards and bench marks to health management education in India.

THE CAMPUS //

The aesthetically designed and magnificently built campus of IIHMR is located in Dwarka, New Delhi. The infrastructure as well as the facilities are at par with international standards and meet all academic and administrative requirements. The well-lit spacious air-conditioned classrooms equipped with audio-visual facilities create an atmosphere conducive to learning. The library of the Institute is equipped with the latest books, journals and magazines of national and international standards that are required for academic as well as research activities. The Institute also has a spacious and well-equipped cafeteria and a guesthouse for visiting guests and dignitaries.

POST GRADUATE PROGRAM //

The Institute offers a two-year full-time Postgraduate Programme with specialization in :

- ✓ Hospital Management
- ✓ Health Management
- ✓ Health Information Technology

Approved by AICTE (All India Council for Technical Education), NBA Accredited program and recognized as equivalent to the MBA degree of Indian University by the Association of Indian University (AIU). The total annual intake is of 180 students.

PGDM (Hospital & Health Management) is a flagship education programme aims at developing trained professional managers. The institute impart its students with requisite skills in planning, implementation, operational management, diagnosing and problem solving, consultancy and entrepreneurship to prepare them to manage hospitals and healthcare institutions in any environment both in public and private sectors.

The Institute builds achievers through the program. Our students have won prizes in many inter-campus and national competitions in academic and non-academic activities. The Institute also encourages and supports entrepreneurship and some of our students started their own organization, which has been competitively getting funds and winning laurels for its work.

PROGRAM EDUCATIONAL OBJECTIVE (PEO) //

"The IIHMR, Post Graduate Program in Hospital and Health Management is designed to provide the graduate students with appropriate knowledge, attitude and skills to enable them to perform as effective leaders and managers in healthcare industry"

Additionally, the program seeks to fulfil the following specific objectives:

- ✓ To understand concepts and techniques of management and their application in hospital and healthcare organizations.
- ✓ To develop skills in diagnosing and solving management problems in healthcare.
- ✓ To apply the management skills in planning, operationalizing and managing healthcare organizations.
- ✓ To focus on strategic responsibilities for capacity building and human resource development for healthcare delivery.
- ✓ To understand and apply the principles of research to identify healthcare problem and provide solutions.
- ✓ To explore and implement new technology and innovations in health sector.

ELIGIBILITY REQUIREMENTS //

For Fresh Graduates: Bachelor's degree in any discipline with a minimum of 50% marks (45% in case of candidates belonging to reserved category) in the qualifying Examination in the aggregate. Should have taken any one of the Management Aptitude tests like CAT/MAT/XAT/ATMA/GMAT/CMAT. Candidates appearing at the final year examination of the Bachelor's degree or waiting for the results of their final year degree examinations in 2023 may also apply. Selected candidates will be given provisional admission. They will be required to produce evidence of their graduation within two months of admission. The selection will be made strictly on merit basis through the Management Aptitude Test.

SUBMISSION OF APPLICATION //

Candidates aspiring for admission to the PGDM (Hospital and Health Management) program are required to fill in an application form, which can be obtained from the Institute by paying Rs. 1000/- in cash or by sending a demand draft of Rs. 1,000/- drawn in favour of "International Institute of Health Management Research", payable at New Delhi. Application forms can also be filled online along with e-payment of Rs. 1,000/- **To apply online, kindly visit – apply.iihmrdelhi.edu.in/pgdm**. Group discussion and Personal Interview will be conducted either virtually or at IIHMR Delhi campus Plot No. 3, Sector 18A, Phase II, Dwarka, New Delhi- 110075

SUMMER TRAINING //

At the end of the first year each student works with an organization on a project for a period of a minimum of eight weeks. The objective is to allow students an intense day-to-day interaction with organizations. Summer Training provides exposure to the student in the functioning of an organization in real time. It also helps students to develop managerial skills, competencies and facilitates an informed career choice by the students. At the end of summer training, they will be assessed on the basis of their performance during the period by the way of a report and poster presentation.

DISSERTATION AND INTERNSHIP //

All students are required to make a dissertation in their area of interest. The dissertation will include a critical review of literature pertaining to the specific area of interest, data collection and analysis of the selected problem, besides other components. The dissertation must be completed in the second year to achieve the award of the programme.
