

Mr. Kishore is a member of the National Disaster Management Authority, India where he works on policy and planning, and anchors Prime Minister's initiative on the global Coalition for Disaster Resilient Infrastructure. He has a Bachelor's degree in Architecture from the IIT Roorkee, and a Master's from the Asian Institute of Technology, Bangkok. Prior to joining NDMA in 2015, he worked with the United Nations, the Asian Disaster Preparedness Centre and TARU. He has advised national governments in more than ten countries on disaster risk management issues and supported post-disaster recovery after major disasters in Bangladesh, India, Indonesia, Iran, Myanmar, Pakistan, the Philippines and Sri Lanka. His early work includes support to post-disaster reconstruction after the Uttarkashi (1991) and Latur (1993) earthquakes.
